**Comment:**

Went into Join It for it always has to be acknowledged and covered: checked on the actual conversation internally:

I tried to test whether the credit card that I use was working for people wishing to join our Membership website, but when the Proceed button was pressed, the following message appeared on the top right hand corner of the page: 'The Connect account cannot currently make live charges. The requirements disabled reason property on the account is currently disabled. If you are a customer trying to make a purchase please contact the Website Owners. Your transaction has not been processed.' Please look into this issue urgently. Shantanu Profile image for Join It Operator

***Update:***

There was total silence until 5.10 pm and I needed to know what the situation represented: So followed the lead from Lean and went into <https://support.stripe.com/> where I checked the verification status of the company and it was verified with the usual comments. Does this solve the issue? It asked. I pressed no. What is your issue about. I selected 'Connect' and asked for a 24 hour response by email with the following deposition into the space provided:

Dear Stripe

In my

<https://app.joinit.com/o/vishista-advaita-sampradaya> Join it Account, I tried to test whether the credit card that I use was working for people wishing to join our Membership website, but when the Proceed button was pressed, the following message appeared on the top right hand corner of the page: 'The Connect account cannot currently make live charges. The requirements disabled reason property on the account is currently disabled. If you are a customer trying to make a purchase please contact the Website Owners. Your transaction has not been processed.'

I asked Join it for an explanation and Leah's response was as follows:

Hi there!

It says to contact Support in Stripe for more details here: <https://support.stripe.com/>

I replied:

'You can close this Ticket now'. because I was placing Membership on a 'Free'-basis

This is obviously not sustainable, so could you look into it as the above check on verification of The Conservative Libertarian Publications Limited shows that our Company is verified and that there is no need for any action.

Thank you

Subject: Your recent question for Stripe about Connect

Dear Stripe

In my

<https://app.joinit.com/o/vishista-advaita-sampradaya> Join it Account, I tried to test whether the credit card that I use was working for people wishing to join our Membership website, but when the Proceed button was pressed, the following message appeared on the top right hand corner of the page: 'The Connect account cannot currently make live charges. The requirements disabled reason property on the account is currently disabled. If you are a customer trying to make a purchase please contact the Website Owners. Your transaction has not been processed.'

I asked Join it for an explanation and Leah's response was as follows:

Hi there!

Thanks so much for reaching out!

I just took a peek and it looks like the connected Stripe account is still restricted which is why it's not allowing you to make online charges at this time.

It says to contact Support in Stripe for more details here: <https://support.stripe.com/>

I replied:

'You can close this Ticket now'. because I was placing Membership on a 'Free'-basis

This is obviously not sustainable, so could you look into it as the above check on verification of The Conservative Libertarian Publications Limited shows that our Company is verified and that there is no need for any action.

Thank you

My [shanpanigrahi7000@outlook.com](mailto:shanpanigrahi7000@outlook.com) account has been bastardised confirmed for this transaction should have had a second one going to Rupa Panda but it ended up in my yahoo account.

I will keep it Free on donations for they are trying hard to shove me into the court proceedings. The Court cannot write to me now after the deceitful and duplicitous emails that I received an hour and half ago from Stripe. And I have an invoice processed so that I can manage my transactions to selected people from the Stripe Account as I did for Krishna Durga but the £10 did not enter into my Join it Account records. Just Stripe Bank records. I will settle for that.

Stripe reported to me that all outstanding issues had been satisfied but the Connect problem persists at Join it. The Medway County Court is unable or unwilling to find out who the culprits are that are hell-bent to destroy my Company - kindly refer to the links below:*

The social consequences are considerable. Religious worship of God in the temples is hampered. We need to do a lot of Religious and Social Works to attend to the pollution of the environment.

Complainant privacy notice

This privacy notice summarises what to expect us to do with your personal information when you contact us or bring a complaint to our service. A more detailed version of this privacy notice is available on our website.

#### About us

The Financial Ombudsman Service is a free and easy-to-use service that settles complaints between complainants and businesses that provide financial services. You can contact us here. We use your personal information to investigate and resolve individual complaints and prevent unfairness. We also analyse complaints data to make our services and processes more effective for you and others. More detail is set out in the ‘Why we process your personal information’ section.

#### The personal information we use

Personal information means information that is about an individual or can identify them in some way. The amount and type of personal information we process varies depending on the individual circumstances of the complaint and why we are processing personal information. Examples of the type of information we process are your name, date of birth, financial details, phone recordings and special category data, such as health information.

#### How we collect personal data

We have a range of channels that individuals can use to get in contact with us. Generally, we receive personal information from the individual directly, their representative or from the financial business the complaint is against. But sometimes, where it is necessary for resolving a complaint or fulfilling our legal functions, we may also gather information from other individuals or organisations, such as a loss adjuster hired by an insurance company, a medical expert or a credit reference agency.

#### Why we process personal information

We primarily collect and process personal information to investigate and resolve individual complaints brought to our service and respond to enquiries and redirect individuals to the correct organisation if necessary. In addition to this we also process personal data in the following way:

- Prevent complaints and unfairness
- Improve the effectiveness of our service and processes
- Meeting your needs and making adjustments
- Work with the regulator and other bodies
- Dealing with contact you may make with us through social media
- Complying with a legal duty.

We have a legal obligation to publish final decisions made by our ombudsmen. These are published on our website. We remove the name of the person making the complaint as well as any other personal information that would be likely to identify them.

We conduct regular surveys to understand your views on the service we have provided to you. You can let your Investigator know at any time if you do not want us to contact you for our surveys.

#### Who we share personal information with?

We will not share your information with anyone for the purpose of direct marketing. We will not sell your data.

When an enquiry is brought to us, we need to contact the financial business and make them aware that an enquiry has been received and ask them what has happened so far. The personal details of Financial Ombudsman Service – Complaint form 8 the complainant, any representative and details of the complaint are shared during this initial process.

In order to investigate a complaint, we need to share information with both parties of the complaint

to get both sides of the story. Sometimes, depending on the nature of the complaint, we may also need to share relevant information with other individuals or organisations, for example: another financial business, medical experts or credit reference agencies.

If you have a complaint about the standard of service we've provided to you, and we've not been able to resolve this, you can ask the Independent Assessor to investigate this complaint. We will pass on relevant details to the Independent Assessor so that they can investigate and respond to your service complaint.

#### Lawful bases for processing personal information

The law on data protection sets out a number of different reasons for which an organisation may collect and process your personal information.

Our lawful basis for processing personal information will usually be because it's necessary for our statutory function, a reason of substantial public interest or compliance with our legal obligations.

On those occasions where we are not relying on any of the above, we will ensure that a suitable alternative lawful basis is used, which is likely to be where the processing is in our legitimate interests.

#### Where your data is processed and stored

We store your personal information in the UK or the European Union (EU). Our technical support teams in India may process your information to provide technical advice and assistance.

Where we allow access to your information from countries outside the UK, we ensure that we comply with all our data protection obligations.

#### How we store personal information and for how long

We know that data security is important to us all. When we receive personal information, we take steps to ensure that it is stored securely, both physically and electronically, in accordance with the internal policies that we have in place for the effective and secure processing of your personal

information. We will keep your case file for 6 years after your case closes (or 3 years if we did not go on to fully investigate your case or if we transferred your case to another organisation). Paper documents sent by post are destroyed 6 months after the date they are scanned into our system.

More information is in Annex A here.

#### What are your rights over your personal information?

Under data protection law, you have rights we need to make you aware of. The rights available to you depend on our reason for processing your information. Details of each of these rights are set out in Annex B here.

#### What to do if you're unhappy with how we've handled your personal information

If you have any questions about this notice or are concerned about how we are processing your personal data, you can contact our Data Protection Officer at: [data.protection@financial-ombudsman.org.uk](mailto:data.protection@financial-ombudsman.org.uk). Details of how to raise a complaint are available [here](#).

We hope we'll be able to resolve your concerns, but if you still remain unhappy with our response, you can contact the Information Commissioner's Office at [casework@ico.org.uk](mailto:caserwork@ico.org.uk) or 01625 545 745.

 Medway County Court

Dear Sir/Madam,

With reference to my email as attached: ToMedwayCountyCourt District Judge(J00ME572)Summary Judgment or Directions Requested)31Dec2024.docx, I am of the view that Stripe Bank and the Financial Ombudsman conspired against me and this email timed to perfection is yet another attempt to prevaricate and thwart the due process of justice in Medway County Court, appropriately listed in the Particulars of Claim but now proven.

I am not interested in seeing the ball being kicked into the long grass by Stripe and the Financial Ombudsman: as I said to the District Judge all negotiations have been in vain and accordingly nothing short of an appropriate amount of damages and compensation approved by Medway County Court under J00ME572 will be acceptable to me.

Yours sincerely

Hi Shantanu,

Thank you for reaching out. I'm happy to help with your request.

I checked the links you shared with us in your email and it appears that you are unable to process payments from a website which could be associated with your business :

<https://app.joinit.com/o/vishista-advaita-sampradaya>

The information provided to you by the "Join it" representative states that your connected Stripe account is still restricted, which is why it's not allowing you to make online charges at this time.

However, I have carefully reviewed your Stripe account-- acct\_1JGhaEKpnkgBmjni (Theconservativelibertariansociety) and it appears that your account is ready to accept charges and payouts and is properly activated with no pending restrictions.

That said, I also checked the logs on the dashboard and could not find any information errors as mentioned above. Thus, in order for us to further investigate this, could you help me by sharing a screen-recording or a screenshot of the error you mentioned you got while testing a payment using your card.

This will help us further investigate the issue faced. I'll be looking forward to your reply.

Best,

Ankur

So, Medway County Court has got exactly one hour and so has Kent Police to come clean as tomorrow is a Bank Holiday Years Day. The Court will be without this evidence as I will not publish it let alone share it with anyone if there are no proceedings with me as Claimant/Litigant under JOOME572, and no indications come from the Court if Full Written Reasons for not issuing a Summary Judgment against Kent Police comes. This document will be used to proceed further with the investigation of what the unwritten Constitution of the United Kingdom states on Police culpability to civil litigation that is being exposed in not uncertain manner through the passage of the past 26 years of living in this country: which I said to my Consultant Psychiatrist all those years ago was a case of 'Big Brother wants a nation of morons in a Police State.'

OK

I recommend you set up a charitable incorporated organisation.

I need to first check what type of organisation you wish to be.

There are 2 types of CIO:-

· the foundation model is for charities whose only voting members will be the charity trustees.

· the association model is for charities that will have a wider membership, including voting members other than the trustees.

In practice a CIO using the foundation model will be like an unincorporated charitable trust, run by a small group of people (the charity trustees) who will make all key decisions. There may be no time limit on how long charity trustees may serve and they will probably appoint new charity trustees.

A CIO using the 'association' model will have a wider voting membership who must make certain decisions (such as amending the constitution), will usually appoint some or all of the charity trustees (who will serve for fixed terms), and may be involved in the work of the CIO. Like companies, which must have both members and company directors, all CIOs must have members and charity trustees. Depending on the CIO's needs, the same individuals can be both members and charity trustees (foundation) , or there can be a wider membership made up of people who are not the charity trustees (association) – let me know which you require please.

I will also need the following details please:-

1 Name of cio

2. Full names and addresses, date of birth and occupation of the trustees and initial members of the cio. (You need at least three). Please also supply telephone number and emails for all trustees.

3. Registered office address

4. How has the charity raised its funds and/or how will the charity raise funds in the future?

5. Will any trustees receive payment for goods/services supplied to the charity ?

6. An outline of the objects of the charity

7. How long do you wish the trustees term of appointment to be?

8. An outline or business plan setting out details of day to day activities.

9. Will the charity buy any land/building if so give details.

The Commission is currently taking about 3 months to process applications.

In accordance with Money Laundering Regulations we need identity evidence for each of the trustees. Please scan evidence of identity in the form of copy passport or driving licence and evidence of residence in form of credit card or bank statement or utility bill. We also need separately a selfie of each trustee holding and displaying their passport or licence so we can see the individual taking the selfie clearly and their passport photo.

Our fees to set up a Charitable Incorporated Organisation (CIO) and register as a charity are £995 plus vat of £199 making a total of £1194. Add a fee of £10 per trustee to make the electronic identity checks.

Fees are payable by 2 equal instalments the first of which is payable in advance and the second once the organisation is registered.

However the Charity Commission are very keen that organisations have certain written policies for good governance purposes . You can prepare these or we can for additional fees of £99 plus vat per policy. I can advise on the policies they will require once I have all your organisations activity details.

We can also apply to HMRC for registration as a charity so you can claim gift aid for fees of £300 plus vat of £60 = £360 if required. We would normally deal with that application when the Charity Commission registration is complete.

Once I receive answers to the questions above I can take it further but do not hesitate to email or call us with any questions.

Regards,

Mike Farrell

Dear Mike

I solemnly give the undertaking that you specify that Vishista Advaita Sampradaya will only do charitable religious work on a day to day basis, such as developing our congregation through the Membership Account with Stripe at Join It.

From my point of view we can now move forward with Stripe accepting that it will remove the existing 'The Conservative Libertarian Publications Limited Account that is in place and replace it with Vishista Advaita Sampradaya Account immediately as going through the process of being registered with the Charity Commission once we have the plan that would be acceptable to the Commission and Stripe.

If this is a plan that Business Legal Limited can undertake, please let me know your Fees, sending me an invoice for the work is needed.

I look forward to communications both from yourselves and Stripe in this regard.

Ok you could possibly keep The Conservative Libertarian Publications Limited on Dormant mode and go for the option of setting up a charitable incorporated organisation called 'The Conservative Libertarian Society" registered with Charity Commission.

However the Commission will wish to know what the non charity organisation will eventually be used for and may be concerned at the similar names which could confuse the public. It would be better to have totally different names.

Hello Mike

1. Sorry to keep you waiting. I referred the options that you mention to Stripe to see which option would be acceptable to Stripe for I am in a bit of a predicament as to which path would suit my needs going forwards.

2. It all depends on whether I need to place 'The Conservative Libertarian Publications Limited on Dormant mode (so that I can revive it if I need to at a future date to sell my ~300 books) and go for the option of setting up a charitable incorporated organisation registered with Charity Commission has advantages and disadvantages. So my question is can I have both 'The Conservative Libertarian Publications Limited registered with Companies House and say 'The Conservative Libertarian Society as a Charity registered with the Charity Commission that would be more what Stripe would accept.

3. I set my objective for today to Stripe as follows:

[Action required] Additional information needed for The Conservative Libertarian Publications Limited

Dear Stripe

It is vital that all payments and payouts received by The Conservative Libertarian Publications Limited in through the Join it, and the two Brilliant Directories websites that we have created is processed through Stripe.

Apart from the maintenance of our websites that Membership Funds and Donations will be used for, we wish to build and maintain a Hindu Vishista Advaita Vedanta temple devoted to Sri Krishna/Durga and worshipping our God through pujas in the United Kingdom as a long-term objective if we get sufficient funds.

I trust this now adequately answers all Stripe's questions for the Review to be completed today.

Thank you for the enquiry.

In order for me to send you a more detailed response can you firstly clarify whether you have an organisation set up already which you wish to register as a charity.

If so can you scan a copy of the governing document to me please.

If you do not have such an organisation set up yet just confirm and I will proceed from there.

Regards,

Mike

Dear Sir/Madam

1. I consider it my Religious and Social duties to bring this matter to the attention of the House of Commons in relation to the Petition published which had no hope of getting the 10000 signatures for a response from Parliament to me

Petition: Develop an official written Constitution in the UK

Petition: Develop an official written Constitution in the UK

We believe we have an unwritten Constitution foisted on the people and this is wrong morally.  
 We think a written...

1. I also attach the original Petition that I submitted for reference:

FrPetitionsCommitteeHOC(Action required on Petition for a Written Constitution in the United Kingdom)4Nov2024.docx.

3. So the version of the Petition that the Committee watered down has been stuck at 67 signatures.

4. That is the end of my Allurement of Reality proving once and for all that the Police cannot be successfully litigated against in a civil court, let alone be prosecuted in a criminal court.

5. I am no longer politically active but as this is a matter of conscience I hope that it is a contribution to society of the United Kingdom.

6. It is for others to decide what lessons are to be learnt from this experience of mine.

Yours sincerely

My petition:

Develop an official written Constitution in the United Kingdom for governance.

An unwritten Constitution foisted upon the people is wrong morally. A written Constitution is needed that outlines the relationships between the Head of State and Parliament at both Houses and in terms of their inter-connections with the Security Services, Judicial and other State institutions.

Unwritten Constitution makes a Monarchical Establishment to become secretly dictatorial and tyrannical to selected individuals and groups. With a written constitution people are fully informed on what to expect from the State and what is expected of them to the State. With a written Constitution people will be fully informed on who is in charge of procedures in Parliament, Mental Health Institutions, Security Services; and who a citizen can successfully prosecute in civil and criminal courts.
